

We need your help!

As you know, many people face issues of discrimination around the country, state and even here in our local community. When I returned to Vermont in 2009, it was with the purpose of joining those who are doing the work to end discrimination and to promote equal and fair opportunities and treatment within our community. I know I am not the only one committed to these issues, but sometimes it can be hard for us to find each other to join and organize in the name of justice. Chartering the first ever Rutland Area National Association for the Advancement of Colored People (NAACP) is one way we can do this.

Bringing the NAACP to the Rutland Area will be an historic accomplishment and all of us can play a significant part in making this a reality. In order to promote equality, we need to become more visible so those seeking justice know where to go. We want individuals that want to fight for freedom and we would like for you to join us.

PLEASE CONSIDER JOINING THE RUTLAND AREA NAACP!

The NAACP has a rich and deep history in America, it was founded in 1909, and the NAACP is the nation's oldest and largest civil rights organization. From the ballot box to the classroom, the thousands of dedicated workers, organizers, leaders and members who make up the NAACP continue to fight for social justice for all Americans. **Please complete your application and include a check or money order made out to: NAACP**
